Elba City Council welcomes Coffee County United Way to community

The Coffee County United Way met on October 12, in Enterprise, with a local presentation being made to Walmart officials for its efforts in educating employees about United Way.

The presentation was held in conjunction with the presentation of "The Spirit of America Award," which was presented at a national level to the company.

It was reported at the meeting that the Coffee County United Way was officially accepted by the City of Elba at the city council meeting on October 9. The city appointed two members to the delegate assembly and one individual to serve on the nominating committee.

United Way officials were scheduled to attend the meeting of the New Brockton city council on Monday night, Oct. 16 in hopes of adding the city to the list of cities taking part in the organization.

The county chapter reported that it had received cash and pledges totaling \$37,000 and added that over \$16,000 had been distributed to various county agencies.

Flu & pneumonia shots available at County Health Dept. in Elba

Influenza and pneumonia vaccine will be available at the Coffee County Health Department in Elba on Thursday, Oct. 19, at 1:00 and on Mondays, Oct. 23 and Oct. 30, from 1:00 until 4:30 p.m.

The target group for the vaccine are persons age 65 and over and the chronically ill, such as heart, lung, kidney, diabetes, cystic fibrosis and cancer patients.

Persons may wish to check with a physician prior to taking the in-

fluenza vaccine. Persons who should not take the flu shot include those with an allergy to eggs, anyone who has been paralyzed with Guillain Barre Syndrome and women who are pregnant.

Persons who are ill and have fever should delay vaccination until the fever and temporary symptoms have gone.

For more information contact the Coffee County Health Department at 897-2523 or 347-9574.

Volunteer firemen show true spirit of American pioneers

The spirit that made Alabama and America great is best shown by volunteer fire departments. These friends and neighbors are on call 24 hours a day, willing to drop their own work to rush to the aid of a neighbor. Volunteer fire firefighters risk their lives to protect others without pay, but have great satisfaction of a job well done.

Presently there are about 900 volunteer fire departments in Alabama with nearly 35,000 members. Coffee county contains nine departments. The Alabama Forestry Commission (AFC) serves as the state support for the department. State Forester C. W. Moody stated, "Volunteer fire departments are the key to good rural fire protection, both with house fires and woods fires."

The AFC assists volunteer fire departments three ways: (1) giving grants for equipment, (2) developing and maintaining county-wide radio communications, and (3) supplying training in the control of both building and forest fires.

Why do people become volunteer fire fighters? According to Ray Tucker, chief of the Rural Community Fire Protection Program for the AFC, "Fire fighters feel a sense of community as they work to protect their homes and their neighbors." Tucker stated that these departments serve not just as a base for fire fighters but also for community centers.

Alabama has a strong fire control program. Robby Robertson of the National Fire Protection Association praises Alabama for "doing more to build and help volunteer fire departments than any other Southern state." Tucker stated that while Alabama is doing well, his goal is for Alabama to have the "finest rural fire fighting program in the U. S. by 1994."

Volunteer fire fighters have an impact on all residents in Coffee County. Besides protecting home owners from fire and helping save lives, fire departments can save you money by lowering fire insurance rates. A strong, well-equipped volunteer fire department can lead to dramatically lower rates as compared to unprotected areas.

Landowners are reminded about AEC regulations

The Alabama Electric Cooperative would like to remind property owners along Point A Lake that shoreline work performed while lake levels are lowered must follow certain guidelines.

Piers may not be extended into the lake and the existing shape of the shoreline may not be changed by filling, dredging or other means. AEC is lowering the level of Point A Lake approximately 16-18 feet for the next 4-6 weeks in order to perform maintenance to its hydroelectric plant at the lake.

Accepting the award presented to Miss Gayna Smith by the Coffee County chapter of the Alabama Democratic Conference were Mr. and Mrs. Gaynes Waters and Pernel Smith. Making the presentation was Mrs. Dorothy Richardson.

Miss Smith honored by ADC

County legislators voice opposition to taxation of retirees' income

"I have always believed that no one's income should be taxed after retirement," Sen. Cram Foshice told members of the Coffee County Retired Teachers Association on Tuesday, September 19.

Foshice was referring to news reports about the recent court rulings that threaten the state with millions of dollars in tax losses - losses that will have to be made up from other sources, such as taxes on retired

people's incomes. He pointed out that court rulings like the one on the franchise tax could cost the state a loss of over \$60 million out-of-state businesses (licenses for out-of-state businesses to do business in Alabama); or like the potential loss of over \$300,000,000 in the case of licenses to out-of-state insurance companies on policies sold in Alabama.

Sometimes I think we should

let the courts take over and run the "country," Foshice said.

The senator also noted that he had made a trip to Japan and gave a few of his impressions from that trip. Probably of greatest concern to the retired teachers was the comment that Japanese children all wore the same clothes to school and did not have a discipline problem. On the other hand, he said "Parents here take the side of the

children. The problems are not the fault of the teacher, but the parents do not support the teacher."

Coffee County Representative Jimmy Holley also addressed the retired teachers. He referred immediately to the proposal for tax exemption on retired pay. He said, "There appeared to be four means of addressing the situation. The first option was the exemption of military and federal employees from taxes on their retired pay. This would cost the state about \$3 million.

The next option would be the total exemption of tax on all retired pay. This would cost the state about \$40 million.

The third option would be to remove all exemptions and grants from the law, giving no exemptions to anyone for anything. The fourth option would be to levelize tax exemptions in such a manner that no tax would be lost, but some would gain more than others."

Holley said he would prefer Option Two. He called attention to the fact that there are people in our society who are existing on a fixed income and are just getting by. He said when you watch TV and see the need of food in Poland and Russia, and then to pass a food bar

DHR seeks help from county commission

The Coffee County Department of Human Resources has released its monthly bulletin for September and in the monthly report county director Ronald Smith stated that while the department was continuing to receive aid from the Coffee County Commission, additional work and space was needed to better serve the citizens of Coffee County.

"We appreciate the new roof the county commission has put on our building," stated Smith. "However, we are in need of a building expansion because our present building is getting too small. We need, at a minimum, a new file room for our important records and I have asked the county commission for help with this and they are working with me."

Smith also reported that the department was hoping to get a parking lot across the street from the office in Elba paved, as well as the area at the rear of the building.

"Our staff is doing a good job," continued Smith, "we need more help, as usual. We have a staff allocation of 36 and have 33 members on board. We need to fill the vacancies immediately, but due to the hiring freeze we cannot fill them at this time."

Children's Services supervisor Myrna Rhoades reported that the staff was deeply saddened by the recent death of a foster child in the county.

"This was the first death of a child in our custody," stated Mrs. Rhoades. "The child was diagnosed with a serious heart condition and died following surgery in a Birmingham hospital. The foster mother, the natural mother and the entire staff shared this grief."

Mrs. Rhoades also reported that during the month the department investigated a total of 32 child abuse cases, with the cases being physical-11, neglect-12, sexual-8 and emotional-1.

Adult abuse cases investigated included physical abuse-2 and exploitation-1. Child and Adult Protective Services supervisor Glenda Snipes re-

ported that "August was another busy month!" "We now have 400 cases open to service and there are 20 persons on the waiting list for adult home-maker services, as well as 45 children on the waiting list for paid daycare services," stated Mrs. Snipes. "The demands on the workers are great and the type of work they do is stressful within itself."

Food Stamp Program supervisor Deborah K. Jones reported that in August food stamps were issued to

a total of 1,142 households in Coffee County, with the total number of stamps issued totaling \$119,398.

Changes reported to have taken place in October included a 10 percent increase in monthly stamp benefits, an increase in income eligibility limits and other changes in deductions and utility allowances.

Child Support & Eligibility Unit supervisor Dianne Parker reported that "August was another very busy month" with total collections being over \$46,000.

Unemployment rate dips to 5.9 in Coffee County

The Alabama Department of Industrial Relations has released its "Labor Market News" for the month of August and in the detailed report it was revealed that in August the unemployment rate in Coffee County decreased from 6.7 percent to 5.9 percent.

According to the report, in the month of August there was a civilian labor force of 18,900, and from this number only 1,120 was unemployed.

The unemployment rates of surrounding counties were as follows:

WINDSTORMS

With Ferrin Cox

We had a Letter to the Editor last week criticizing us for not giving more support to the Clean-Up Elba campaign. We are both embarrassed and awed at the writer's conclusions. We must admit our guilt in the matter and are unable to offer a good excuse. However we are overwhelmed that the success or failure of a city project depends completely on the actions or inactions of this newspaper. While it is true we only mentioned the project in passing and it is true the public completely failed to show up Saturday morning as the city fathers had requested, we don't want to shoulder the tremendous burden of keeping the wheels turning in Elba. We just want to insure that they turn properly. We also remind our letter writer that we voiced our opinion on the city's clean-up projects in this column several weeks ago . . . it ain't changed and is shared by a bunch of folks. Set us an example - don't decree it be done and ride up and down the street on city trucks wondering why it ain't happening.

We don't understand the uproar over the new book by the Reverend Ralph Abernathy. He is the former associate of the late Martin Luther King Jr. who has just published a book in which he reports on Dr. King's private life and weakness for women. The puzzling thing is that it has been written before of King's interest in women. Abernathy himself was once chased down a Montgomery, Ala., street by a mad husband with an ax and a gun, plus all the talk has just helped sell Abernathy's book. The civil rights leader has been dead since 1968 and little purpose can be served by reporting this stuff or by denying it took place. . . . except selling books.

The local hospital has had some of the usual problems associated with being a small facility but keeps fighting back. Actually money problems are hitting most hospitals, large or small. This will probably always be a small town hospital, serving the immediate needs of the community and that ain't bad. We accept the fact that specialists want to be in the big city with their peers. We read a feature story Sunday pointing out some of the major benefits of such a community hospital. The Wiregrass Hospital in Geneva was where the woman who lost her arm in an airplane prop was first taken. She credits the actions of the emergency room staff there with not only saving her arm, but her life as well. Medical experts back up her opinions. Had she not been able to get to a hospital quickly, they indicate she would have died to death . . . instead she is alive and has a successfully reattached arm. Support your local hospital.

When Coach Johnny Majors, of the University of Tennessee, announced he was permanently dismissing his star running back, Reggie Cobb, from the team for rules violation, we moved him up a notch on our list of folks with their priorities in proper order. It would have been real easy to kinda look the other way when Cobb broke the rules (failed a drug test we understand) but this man stuck by his guns and set an example for colleges everywhere. We salute him.

The Elba Marching Tigers put another feather in their cap Saturday in Prattville when they not only graded "straight ones" but also received the trophy for Best in Class. Not bad, not bad! We are impressed with the job first-year band director Alan Armstrong is doing with this young band and feel both he and the band are going places if we will just be patient and give them the help they need and deserve. However it appears we don't have to wait after all, since they are already racking up wins this year.

We read the newspapers and heard folks on the tube talking about all the terrible things that were going to happen Monday on Wall Street. This was after a bunch of folks got panicky and the stock market dropped a bunch on Friday. Sorry to disappoint them, but Monday was not a gloomy day after all. The market reports are that it was a record day of sales and the prices rebounded almost as much as they lost Friday.

THE CONWAY-GIBBS HOME was built in 1900 by Jessie J. Maddox and his wife Martha Ann Donaldson. Jessie was born in Monroe County, Ga., a son of Matthew and Martha Bowden Maddox, and moved to Coffee County about 1856. Jessie and Martha Ann Maddox had a family of 12 children: Adolphus, Lull, Lizzie, Lula, Joe, Jessie Cos, Charlie, Bruce, John Franklin, Ishah, Peirce and Ida. The home was sold to George Goss and his wife Sarah Elizabeth, affectionately called "Aunt Doss" about 1920. The Gosses and their five daughters had moved to Elba from Clay County, Ala. Jack Conway and his wife Pearl Wilson had also moved from Clay County, Ala., to Elba. In 1931 the Conways moved into this home with the Gosses, and after their deaths became the owners. The Conway children were: George - who married Cumi Jones; Bill married Sue Green, Hazel married Douglas Gibbs, Frank "Scooter" lives in Gulfport, Miss., and Wilson lives in Houston, Texas. In 1957 Hazel and her husband, Douglas Gibbs purchased the home and since Hazel's death, Douglas continues to reside there. The Gibbs children are: Billy, Mary, Sharon, and the late James Robert. First Baptist Begins New Sunday School Year

Oct. 1 marked the beginning of a new Sunday School year at First Baptist Church in Elba.

Children and youth were promoted to new classes corresponding to respective school grades, and Sunday School teachers and officers assumed new positions for the year, with many returning for another year of service.

The primary purpose of Sunday School is for Bible study, but also serves as the outreach arm of the church, with a class for every age group," said Pastor Doug Dorch.

Sunday School begins at 9:45 a.m., followed by morning worship at 11 and evening worship at 6.

The church also has a full program of choir and missions activities on Wednesdays, in addition to family night supper and prayer meeting.

For more information contact the church office at 897-2246 or see any First Baptist member. Everyone is welcome.

Joey Hudspeth To Appear At Cowarts Baptist Church

Joey Hudspeth, singer of the Gospel, will appear in concert Sunday evening, October 22, 6:00 p.m. at Cowarts Baptist Church, Cowarts, AL.

Hudspeth, a native of Abbeville and a member of a musical family played piano and sang in a family quartet for ten years. Recently, his solo performances have been enjoyed by audiences through the Tri-State area. In addition to appearances at area churches, he has been sought after by numerous area military and veterans organizations to present special programs of patriotic music at area events.

It was an experience that led him to record his latest album "God and Country". He is the minister of music at Shorterville Baptist Church in Shorterville, Alabama.

The Rev. C. M. Holloway extends a cordial invitation to the "ie to attend this special program of Christian music.

Zion Chapel Young At Heart Meets

By Gladys Carr

The Young-at-Heart Club of Zion Chapel Baptist Church met in the fellowship hall of the church Tuesday, Oct. 10, at 11:30 with five members present. It was the first meeting after being out for the summer.

It was a beautiful day. We did not have a business meeting, as many were absent.

Rev. Mark Griffin gave the devotional and dismissed the group with a prayer.

A delicious lunch was enjoyed by Rev. Griffin, Eva Pearl Ammons, Irene Wilkes, Susie Edmonds, and Gladys Carr.

The next meeting will be on Nov. 14.

Zion Chapel To Have Homecoming Sunday, October 22

Zion Chapel Baptist Church will celebrate homecoming this Sunday, Oct. 22.

Rev. Ben Ampong, a former pastor, will be guest speaker.

There will be dinner on the ground following the morning worship, and then singing in the afternoon.

There will be no evening worship. Everyone is invited to attend.

Seniors Of Cordelia Street Meet

By Wanda Sasser

Members of the Senior Citizens of Cordelia Street met for their weekly meeting at the HRDC Building on Simmons Street on October 12. They did not meet last week.

Of course, lots of news was exchanged and everyone caught up. Everyone talked about the beautiful fall weather, while others played dominoes and visited.

Mr. Arthur Blackmon's daughter brought her little boy and everyone had to play with him.

As usual there was plenty of good food. Those attending were: Mattie Lou Goodson, Lennie McCollough, Dixie Mae Maddox, Zedie Bouyer, Bonnie Wesley, Myrl Burkett, Thelma Dugan, Minnie Davis, Jessie Farris, Helen McCallan, Arthur Blackmon, Iris McDowell, Janet and Shane Ingram, Jackie Kirkland, Frances Shaboo, Agnes Mack, Lex Blackmon, Sarah Smith, Cora McBride.

There will be a clothing giveaway at the Elba Church of Christ on Troy Highway, Saturday, Oct. 21, from 9 a.m. until 12 noon.

PASTOR'S CORNER

ROBERT KIRKLAND, Th.D

Westside Baptist Church

A Revival of Interest In Prayer?

I have been amazed at the amount of talking which has been done on the subject of prayer following the Supreme Court Justices' banning of prayer over the public address system at football games. One reason for my amazement is my experience of participating in "Prayer Meeting" on Wednesday evening during the last twenty-one years of serving as a pastor. (Attendance at Prayer Meeting has been slim for at least the last twenty-one years!)

Another reason for my amazement is some of the people who have been "up in the air" about this matter. For example, I listened to one person's extremely critical comments about "them" taking prayer out of the football game. This person never attends football games. This person had sons who played football in the past, and he didn't attend football games during that time.

I am convinced that if every person who has been critical of the action of the Supreme Court Justices really prayed on opening night of the 1989 football season during the moment of silence which was provided, the throne of God is probably still shaking from the unusual avalanche of prayer which went up. Do you suppose they did? And do you suppose all these people pray on a regular basis?

Years ago when I was doing construction work a fellow worker came to work one Monday morning and told me about attending church the day before. He was raving about the preacher he had heard. He said, "He was an old fashioned preacher. Boy, he shocked the corn-right down to the cob!" I listened as he went on and on about the great preaching he had heard.

Coffee WMU To

Conduct Training Sessions

Coffee Baptist Associational Women's Missionary Union (WMU) will be conducting training on Tuesday, Oct. 24, 7-9 p.m. at Hillcrest Baptist Church, Enterprise.

Classes and leaders are: WMU directors and secretaries - Merle Wise and Merle Rhodes; Baptist Women Directors and Presidents - Janice Bell; Baptist Young Women Directors and Presidents - Paula McCollough; Juniors - Brenda H. Heath; Leaders - Glenda Heath.

A book store will be available for those who need to purchase materials and supplies for 1989-90. All Baptist women, regardless of membership in WMU, are invited and encouraged to attend. Pastors are also invited.

the day before. When I finally got an opportunity I asked him, "Do you remember what he preached about?" He looked at me as though he would faint, and he said, "You know, I don't remember what he preached about." (I don't have the heart to ask him if the sermon he had talked so much about had made a real impact upon the way he lived!)

If everyone who has talked about prayer since opening night of football season this year is really praying on a regular basis - maybe the Supreme Court Justices need to ban some other matters (like preaching, church attendance, tithing, etc.). Maybe that would bring a revival in these areas too. But I fear that we are talking more about our Supreme Court Justices than we are actually praying.

MRS. DuBOISE'S THIRD-GRADE CLASS at Elba Elementary recently completed a Science unit on food. Mrs. DuBoise's mother, Mrs. Ollie Farris, churned some fresh "raw" milk to show the class how butter and buttermilk were made in the "old days." Bart Hughes is shown helping Mrs. Farris take up the butter from the churn. The entire class enjoyed a treat of pound cake covered in the fresh butter.

Southeast Alabama Community Theatre To Present "Camelot"

Since the dawn of Celtic storytelling, the legend of King Arthur has enchanted generation after generation. Central to that tale is "Camelot," the pure and perfect kingdom. All the gaiety and majesty of "Camelot" comes alive on stage. In the enchanted world of King Arthur (Jim McGee) and his court, two themes are woven - Arthur's dream of a peaceable world where might serves right, and the tragic passion between Queen Guinevere (Alison McGee) and the young knight, Lancelot (Ron Devance).

The Southeast Alabama Community Theatre of Dothan will open its 1989-90 season with the magnificent "Camelot." The show will run October 10 - 14 at 7:30 nightly in the Dothan Opera House. Tickets are \$8.00 per person and may be purchased at the Civic Center Box Office. Call 793-0195.

Season memberships are available for \$24.00 per person and ensures your tickets for SEACT's 16th season. The 89-90 season includes the humorous and touching show, "On Golden Pond," and the spectacular, "Anything Goes," featuring the music of Cole Porter. As a season ticket holder, you will be ensured of advance ticket notification and better seating selection.

For more information, please call 794-0400 or write SEACT, P. O. Box 6865, Dothan, AL 36302.

Amelia & Ashlyn Jones

Jones Children Celebrate Birthdays

Aaron, Ashlyn and Amelia Jones, children of Lee and Lia (Lowery) Jones of Enterprise, all recently celebrated birthdays.

Ashlyn celebrated her fourth birthday July 26 with a "Big Splash" party at her home. Games for the guests included Nerf water balls, Slip-N-Slide, water guns, and wading pools.

Each guest had a wild-n-wet time in their swimsuits and enjoyed cake, sandwiches and other goodies.

Amelia enjoyed her third birthday Aug. 30 with a party at Show-Big Pizza in Dothan. Billy Bob presented Amelia her cake and everyone filled up on pizza, drinks and cake.

Aaron, age 6, was entertained with a costume party for his birthday on Oct. 1.

Party games included Batman, Raggedy Ann, dancers, Army men, fairies, punk rockers, clowns, princesses, and more.

Aaron led the group in a game of "Win, Lose or Draw," before everyone decorated their own special birthday cupcake.

Grandparents of the three birthday children are Densby and Sylvia Lowery, Rt. 2, Troy, and Charlie and Jane Jones of Enterprise. Great-grandmother is Maudie Lowry.

The groom's mother wore a light blue two-piece suit adorned with buttons of pearl and red sequins.

The wedding was directed by Mrs. Kris Scarborough, aunt of the bride.

ELBA PTO HALLOWEEN GARNIVAL

Sat. October 28

4 - 7 P.M.

Maddox - Allen Wedding

Bridget Jean Allen and James Michael Maddox were united in marriage Saturday, Sept. 2, at seven o'clock in the evening at Southside Baptist Church of Opp.

The double-ring ceremony was performed by Rev. Ray Melton, uncle of the bride.

The bride is the daughter of Mr. and Mrs. Donnie Earl Allen of Opp.

The groom is the son of Mr. and Mrs. James Trevlyn Maddox of Elba.

Upon entering the church, guests were registered by Melissa Crissman, cousin of the bride. Friendship scrolls and programs of the wedding ceremony were given to the guests by Anna, Patrick, and Scarborough, cousins of the bride.

A program of nuptial music chosen by the bride and her family was performed by Mrs. Pam Baker, organist. Soloists were Gina Young and Rob Hudson.

In the sanctuary large peach bows marked the family pews and the church windows held lighted tapers and fresh greenery.

The wedding platform held two spiral and two heart-shaped candelabra banked with palms and ferns. Arrangements of greenery rested on the choir rail. A large center arrangement of peach glads, gerbera, and white lilies banked by an arched candelabrum completed the decorations.

Given in marriage by her father, the bride wore a floor-length gown of ecru satin. The Victorian neckline was accented with beaded schiffli lace. The bodice and basque waistline were covered in matching lace with accents of large starburst satin flowerettes.

The fully gathered skirt draped to the floor with deep scalloped lace circling the hemline into the full Cathedral train.

The Victorian style cap was covered in lace with a puff of illusion on the back and a waist-length veil. Beads and pearls covered the crown.

The bride carried a fresh cascade of peach roses and pixie carnations accented with sprays of pearls.

Miss Danae Ennis of Opp served as maid of honor. Bridesmaids included Melissa Maddox, sister of the groom, and Brandy, Cristy, and Misti Allen, sisters of the bride.

They wore full-length peach satin gowns featuring a close-fitting bodice with a scoop neckline. The waistline was accented with a large bow at the back. Puffed sleeves tapered to the elbow.

The attendants carried hi-style crescent bouquets of peach gerbera, roses, and pixie carnations.

First bridesmaid was Mrs. George Grider. A barbecue buffet was served to the guests.

Assisting hosts were Mr. and Mrs. Cracker Waldrop of Enterprise and Mr. and Mrs. Mark Donaldson of Elba.

On Aug. 31 Bridget was treated to a luncheon at Steak and Ale in Montgomery. Hostesses were Brenda Ekstrom, Tracy Richardson, Sandra Noel, and Kathy Zelinski.

A bridesmaids' luncheon was hosted by Mrs. Kris Scarborough, aunt of the bride, on Sept. 1.

The wedding party, relatives, and friends were entertained by Mr. and Mrs. Maddox, parents of the groom, at an after-rehearsal dinner at Opp Country Club on the night of Sept. 1.

After a dinner of steak and trimmings, guests were surprised by a special recording in song by a

son, Mary Nell Anderson, Jan Bowers, Kay Brannon, Carolyn Duane, Rebecca Edgar, Ramona Ennis, Ruby Guentert, Martha Henderson, Jeanice Hudson, Sara Sanders, Joy Simmons, Teresa Vaughn, Beverly Weatherford, and Vicki Young.

An afternoon tea and miscellaneous shower was held on Aug. 13 in the home of Mrs. Pete Dorsey.

Hostesses included Mrs. Don Bowers, Mrs. Tim Bradshaw, Mrs. Dwight Kelley, Mrs. Bobby Hudson, Mrs. James Grimes, Mrs. Wayne Marler, Mrs. Harold Berry, Mrs. Robert Bruckner, Mrs. Van McCall, Mrs. Billy P. Owens, Mrs. Harold Kelley, Mrs. Gus McCall, Mrs. Hildred Lee, Mrs. Elvin Pritchett, Mrs. Fred K. Ham, Mrs. J.E. Tucker, Mrs. Tom Dyess, Mrs. Zeackie Storey, Mrs. Charles Pearce, Mrs. Jerry Hudson, Mrs. Lamar Brooks, Mrs. Jack Corley, and Mrs. Henry D. Clark.

A handsman party honoring Michael was held on the evening of Aug. 19 at the home of Mr. and Mrs. George Grider. A barbecue buffet was served to the guests.

Assisting hosts were Mr. and Mrs. Cracker Waldrop of Enterprise and Mr. and Mrs. Mark Donaldson of Elba.

Mrs. Dyess Is Nominated For Teacher Hall Of Fame

By Leigh Ann Jones

Each year Jacksonville State University selects a high school teacher for the Teacher Hall of Fame from nominees submitted by schools throughout the state. Schools nominate a high school teacher and an elementary school teacher to be considered.

After being nominated, the teacher must complete a personal information form. Letters are then written by the principals, teachers, and former stu-

dents about their association with and recommendation of the nominee. This year's nominee for Elba High School is Mrs. Ann Dyess.

According to Mrs. Dyess, "I consider this to be an honor to be selected by my fellow teachers and am very humbled."

A veteran teacher, Mrs. Dyess has almost 30 years experience - 16 years in New Brockton and 13 in Elba.

Fabiola, a native of La Paz, Mexico, located in the state of Baja California, Sur, came to Elba and the home of Mr. and Mrs. Ricky Mulazay as an exchange student in the Youth Exchange Service program. She arrived in the United States on Wednesday night, Sept. 27, at the Montgomery airport.

Fabiola said she became a member of the Exchange Program because she wanted to experience first-hand the culture of another country and to meet and become a member of a family in the U.S.

She added that while she had never heard of Alabama before being notified of her "new home," she thought the state was "beautiful and green," and couldn't wait to see more of Alabama and meet more of its people.

Fabiola will remain in the U.S. until June, 1990, at which time she and her newly acquired customs will return to Mexico and share her experiences with family and friends.

BIKE-A-THON TO ROLL IN ELBA

By Jamie Whitworth

Lacy Brueckner, coordinator for the Elba St. Jude Children's Research Hospital "Wheels for Life" Bike-A-Thon on Oct. 28, has announced volunteers for the event. Rhonda Little, sponsor of the Student Council at Elba High School, says the Student Council will have this as their service project this year. Other volunteers are Jean Helms, Kathy Smith and Lucia Grantham.

St. Jude's is the largest cancer research institution in the world. Sponsor forms are available at all Elba schools, and at Stokes Hardware and Mary's. The person collecting the money will receive the bicycle pictured above which is donated by the Student Council and Western Auto.

EHS Welcomes Fabiola Torres As Newest Student
By Willie Flowers
At first glance she is just another new face at Elba High School. The haircut is the latest style, the jeans are faded in the latest style, and there is nothing to make you think she is special - that is until you strike up a conversation. Even though her English is good, it is then that you realize this student isn't from south Alabama, but from south of the border!

Rebel Marching Band Claims All Superior Ratings At Daleville

By Almee Rountzong

Superior ratings were earned by the Zion Chapel Rebel Marching Band at the Daleville Invitational Band Classic on Oct. 7.

The band has been practicing extra hard for their first marching contest of the year. On Saturday, Oct. 7, the band met at school at 11:30 a.m. for a run-through and a pep talk. Members arrived early to they were able to watch other bands. The Rebel Band took the field for judging at 5:25 p.m.

The band, color guard, drum major, and percussion were all received on the precision of marching techniques, and the general effect of the show. The general effect of a show is the appeal to the audience and judges.

The band also was judged on how well the music was played. The drum major was judged on her conducting, and the color guard on its props and appearance. The drum major was the main judging point for the percussion.

There were 13 bands at this contest, and only seven earned straight 1's (out of 10). Mrs. Ford said, "The band members were very nervous because there are 17 new marchers, but were proud of the performance and the score earned."

The band earned 1, 1, 1 for an overall 1. The color guard, percussion, and drum major all received a 1 for their performance.

On Oct. 14 the band traveled to Brewton, Ala., to be judged at the Dixie Festival.

Mrs. Buroks Is New Art Teacher
By Marie Jackson
Mrs. Stephanie Buroks has recently been hired as the art teacher at Zion Chapel.

Mrs. Buroks graduated from the Ringling School of Art in Sarasota, Fla. She has designed her own jewelry line that is marketed in Atlanta, Ga.; Dallas, Texas, and Los Angeles, Calif. Mrs. Buroks also paints, draws, makes sculptures and pottery.

She has worked for the Alabama State Arts Council for three years. There she works with all groups from kindergarten to twelfth graders.

The students at Zion Chapel who are taking the class will be working with clay and paint and learning concepts for color and form. The classes will participate in making a clay tile wall mural that will be installed in the elementary school.

Mrs. Buroks says she enjoys working with all age groups. She hopes to share art with them and leave something special in their minds and hearts about art that they can have for the rest of their lives.

SPRIT WEEK OBSERVED
By Annie Haynes
Surf Day, Costume Day, Toga Day, and Spirit Day were ways implemented by the Rebel cheerleaders to raise the Rebel spirit during the week of homecoming.

Surf Day was the first of the activities. The students dressed in surf clothing and played races painted with zinc oxide. Tuesday was Costume Day, and students dressed in costumes they chose. Toga Day was a day for students to dress like the citizens of ancient Rome, by wearing loose, outer garments. Friday was Spirit Day - a day for Rebel students to show all their spirit and enthusiasm.

Bees Present A Stinging Problem !!!!
By Catrina Rodgers
Bees in the break area have become a big problem for students who spend color and most of them nest in the ground.

If you want to destroy them, you may do so by finding the nest and covering it with a transparent bowl, set firmly into the ground. Adults will be confused by their inability to escape and seek food in the daylight. They will dig a new escape hole and will soon starve to death.

The yellow jackets are harmful because the females will sting repeatedly at the least provocation. They can be pests because the adults feed on nectar, a sweet liquid. Although they are pests, they are also beneficial in that they feed on other insects.

When cold weather begins, the yellow jackets will disappear because they all die, except the mated females.

Spanish Clubs Sets Fund Raising Activity
By Denise Flowers
Fund-raising was the main topic at the monthly meeting for the Spanish Club. The Spanish Club will be selling "Gummy Bears" and "Candy Christmas Calendars."

The club is raising money to go on a trip, have a dance, and have an "eat-out" at El Palacio. The price of the Gummy Bears are 50 cents a package and the calendars are \$3 each.

The Gummy Bear sale will take place at the end of October; the calendar sale in the middle of November. The calendars will be back at the beginning of December.

Show your support of the Spanish Club and buy, buy, buy!

Dr. Lammons Speaks At FFA Meeting
By Jason McLeod
Dr. Ed Lammons was guest speaker at the monthly Zion Chapel Future Farmers of America (FFA) meeting.

Dr. Lammons has been a veterinarian since 1971. He has a clinic in Enterprise and does most of his business within a 20-mile radius of Enterprise.

He works with small and large animals. Dr. Lammons attended college a total of six years to receive his degree in raising.

Other business discussed was the need for a telephone for students to use instead of the office phone. This project has been considered in the past, but the holdup has been the great cost of installing outside phones.

The meeting ended with a discussion about having a Haunted House for Halloween.

Candidates for harvest king and queen: Emily Clements, Kacy Clark, Tomoka Ingram, Joshua Mehaffey, Amber Hurd, Durane Flowers, Amanda Rainey, Gregory Gilliard, Carmen Ziglar, John Arnold, Andrea Jordan, and Jason Parish.

HARVEST KING AND QUEEN CANDIDATES
By Jennifer Flowers
Harvest king and queen representatives were recently chosen from each class, kindergarten through third grade at Zion Chapel Elementary School for the annual Halloween Carnival. One boy and one girl were chosen from each homeroom if the homeroom wanted to participate.

Emily Clements was chosen as queen from Ms. Jernigan's kindergarten homeroom; Kacy Clark and Tony Whitehead - Mrs. Brooks' homeroom; Tomoka Ingram - Ms. Helms' first grade class; Joshua Mehaffey and Amber Hurd - Ms. Storey's class; Durane Flowers and Amanda Rainey - Mrs. Dyess' second grade homeroom; Gregory Gilliard and Carmen Ziglar - Ms. Hudson's homeroom; John Arnold and Andrea Jordan - Ms. McIntosh's third grade class; Jason Parish - King, Ms. McCull's class.

Each of the candidates will be holding fund-raisers to raise money for themselves. A majority of the students are asking for donations on a \$100 bill, some on a micro food processor, and one candidate on a hog weighing 200 lbs. Grab bags of candy are also being sold. The candidates that raise the most money will be named harvest king and queen.

The fourth, fifth, and sixth-grade classes decided not to have a candidate for harvest king or queen. They are asking donations on a Nintendo simply to raise money for the school.

Saturday School Now Being Used For Discipline
By Sharon Rodgers
Where is the last place you would want to go on Saturday morning? School!

The Coffee County Board of Education has decided Zion Chapel High School and other schools should use Saturday school as a disciplinary action. Saturday school begins at 8 a.m. and ends at 12 noon.

The first Saturday school was held Oct. 7, and Mrs. Mary Herbert was the teacher who volunteered to run it. Mrs. Herbert passes her time by making class plans and preparing tests.

Violation of the tardy rule - seven tardies - is the offense that caused most students to go to Saturday school.

"Saturday school is very effective, and I will be on time to class," said one Saturday school attendant.

Views From THE PRESSBOX

By, Ricky Mularz, Editor

I guess you have to take the bad with the good! Our little eight-month old daughter has been crawling for quite some time, is finally growing some hair and is pulling up on the furniture. All that stuff is fun to watch and enjoyable to tell folks about; however, she has also learned how to scream, a habit that we can all do without. Back a couple of months ago it was cute when Melanie started chattering and she's even up to DaDa (she doesn't know what it means), but this latest sound has both Mom and Dad, and big sister, all crying for peace. Oh well, maybe she'll out grow the screaming before she learns some words to go along with it!

TIGERS UP RECORD TO 7-1 WITH BIG HOMECOMING WIN

The Elba Tigers celebrated homecoming last week and Friday night it was truly "fun for all" as the large crowd on hand and every single player dressed out got to enjoy the Tigers' easy 47-12 win over Charles Henderson. The game was all but over after less than four minutes of action as Elba jumped out to a quick 20-0 lead and from there on out it was a matter of how bad the score would be and how much everybody would get to play. The score didn't get too bad, thanks to the Elba coaches, everybody got to play a lot and it was a great homecoming, in spite of the rain!

Turning to the game, it was almost over before it started as Elba scored 20 points after only three snaps and went on top 20-0 before many of those in attendance even got a chance to sit down. The Tigers went on to lead at the opening bell and never backed off until the end of the half, at which time the Tigers had scored 40 points and put the win in the bag. The Elba offense moved the ball almost at will against the 5A Trojans as a total of 10 running backs combined to gain 374 yards on the ground and no less than six different players crossed the goal line. The offensive line blew massive holes in the Henderson defense and when the holes were closed, the passing attack of Kevin Matthews clicked for two scores and over 100 yards. The Elba offense could have scored a whole lot more points, but it was a good night to get some of the other players in the game and that was just what happened.

The defense may have let up a little after being spotted a quick 20-0 lead, but except for a couple of long passes played winning football, to say the least, the defense hit as hard as it has all year and if the Trojan quarterback had not been wearing a "flak jacket" he may not be with us today! The Tigers held Henderson to negative yards running and allowed only 6 completed passes in 15 attempts, which ain't too bad. I know the defensive coaches were more than a little upset about allowing two touchdowns; however, it was a solid defensive performance.

All in all, the game went just about like we thought it would. Charles Henderson is playing a lot of very young players and while the youngsters are gaining experience, they are also getting shelled almost every night out. Elba dominated play in every aspect of the game and pulled 'em off in the second half, while allowing the clock to run almost non-stop. Forget the score and forget the opponent...it was another win and winning breeds confidence that will help down the line. Good job, Tigers, it was a homecoming we'll all talk about for quite some time to come!

BIG WEEK ENJOYED BY THREE AREA FOOTBALL TEAMS

It was a very enjoyable week for three of the four teams in the Clippers coverage area as New Brockton, Kinston and Brantley all posted big wins. Here's a look back at what happened from where I sat...

***NEW BROCKTON had absolutely no trouble at all with Samson and by winning claimed yet another Area title. The Gamecocks opponents have been concerned about Robert Kilow all year, and for good reason, but Friday night Greg Sowell had a big night and could prove to cause a double-dose of headaches to future foes. The Gamecocks are definitely "For Real" and you can bet they'll use this week's open date to get everybody primed and ready for another run at a state title!

***KINSTON ran an over Zion Chapel in claiming a lopsided 42-8 win and in doing so evened its record at 4-4. The Bulldogs have two outstanding backs and a large, experienced line, and the combination has been devastating at times. If the Bulldogs can keep improving and not make mistakes, they could have a bunch more wins up their sleeves before it's time to hang up the cleats.

***BRANTLEY whipped cross-county rival Highland Home Friday night and in doing so clinched a spot in the 2A playoffs as an Area runner-up. The Bulldogs struggled at times early in the season, but since playing Luerne tough have reeled off three straight wins and appear to be peaking at just the right time. Brantley may have been playing possum!

***ZION CHAPEL got shelled by Kinston as its record slipped to 1-7 and it looks like the Rebels have tasted victory for the last time this year.

The Rebels are down to only around 13 or 14 varsity players and are using junior high kids to round out the squad, which is a far cry from early in the season when the Rebels platooned squads. I hate to say it, but the end of the season may be just what is needed up at ZC.

WHAT A DIFFERENCE A WEEK MAKES FOR CRIMSON TIDE!

Last week I was praising the efforts of the Alabama coaches and players for their lopsided win over Ole Miss and it seemed like just about every fan who was against Bill Curry was left with nothing to say. What a difference a week makes! The Crimson Tide got a little lucky Saturday to sneak past Southwest Louisiana and if the Tide hadn't risen to the task the same two birds would have been back, even louder than ever. I am a Crimson Tide fan from back in the Bear Bryant days, but it's obvious that the Tide is not as good as it looked against Ole Miss, nor as bad as it looked Saturday against USL. At least they are keeping it interesting!

POLISH PICKINGS GET HARDER AS SEASON NEARS END

Ye Ole Polish Prognosticator was feeling pretty good Monday morning when he stepped by the office and I guess he had a right, because last week he hit on 29 of 33 picks and chalked up correct pick #200 for the season in only eight weeks. For the year, the local guessperts has hit on 200 of 245 picks, which is pretty good. This week there are several toss ups, so, let's see how good he really is!

ELBA VS. ANDALUSIA

The Tigers have outscored their opponents 98-12 since experiencing their only loss of the season and have looked dominating, to say the least. Andalusia has its best team in many, many years and seems to have a shot at going a long way in the 5A playoffs. Two good offensive teams will meet Friday night in Andalusia and if the field is dry, watch out!

ELBA 23 ANDALUSIA 16

ZION CHAPEL VS. GOSHEN

The Rebels are just trying to make it through the season and are struggling to put it mildly. Goshen is a long way from being a powerhouse, but this week the Eagles will look like Super Bowl champs!

GOSHEN 40 ZION CHAPEL 12

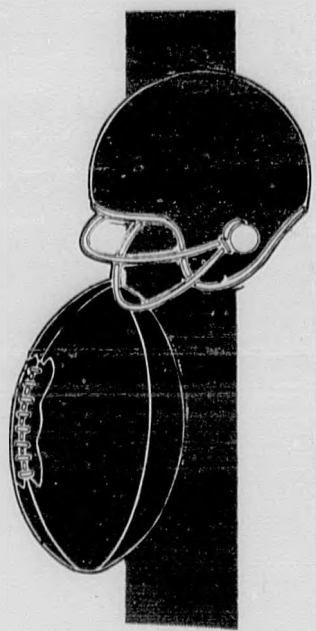

KINSTON VS. ARITON

This one will provide a good test for the Bulldogs and may show just how good Kinston really is. Ariton is always one of the top small school teams in the state and this year is no exception, so, this one will be a real battle between two old rivals. Let's flip a coin!

Tigers trample Trojans 47-12

The Elba Tigers gave a large homecoming crowd plenty to cheer about Friday night as they pounded the Charles Henderson High Trojans 47-12.

The win upped the Tigers' record to 7-1, while the Trojans slipped to 0-8 with the loss. Charles Henderson received the opening kickoff, but kept the ball only one play as on second down the ball popped loose and Elba's Ronnie Joe Edwards recovered to put the Tigers in business at the Henderson 30-yardline.

Reggie Horstead got the call on Elba's first snap and swept around the left side untouched as he rambled 30 yards for the first of many touchdowns! The extra-point try was wide, but with 10:41 still left in the first quarter the romp was on as the Tigers opened a quick 6-0 lead.

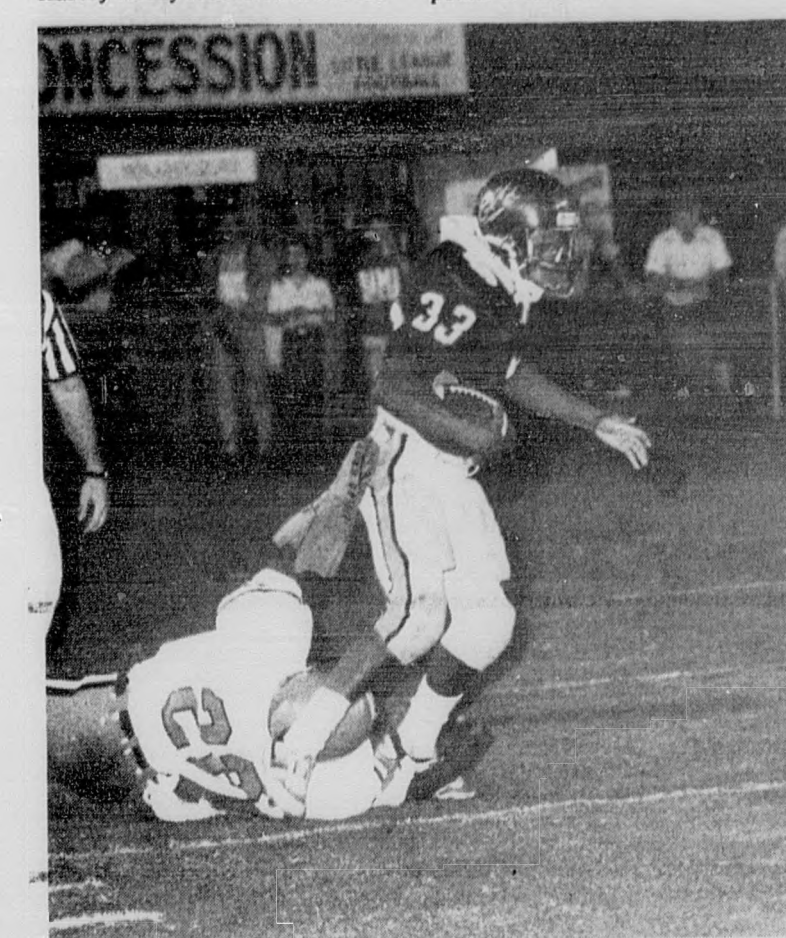

Elba's Anthony Brooks jarred the football loose from a Trojan runner on the ensuing kickoff and Kasey Reedy recovered at the Tro-

jan 39-yardline to put the Tigers right back in business.

A 21 yard run by Horstead on first down got the Tigers headed in the right direction and on second down Kevin Matthews lofted an 18 yard pass to David Rowe to put the Tigers back in the endzone! A two-point try was unsuccessful; however, Elba's lead was up to 12-0 with 9:57 left in the opening stanza.

Charles Henderson held on to the ball for two plays on its next series, but on third down a pitchout failed to find its target and Elba's Ronald McKinnon scooped up the fumble and raced 25 yards for yet another Tiger touchdown! A pass from Matthews to Joe Brooks tacked on two-points and with 8:45 still showing on the clock in the first quarter the Tigers held a whopping 20-0 advantage!

Charles Henderson was down, but not about to quit, and stunned the Tiger defense by marching 82 yards in only 4 plays to score some points of its own.

DANCING ON A TROJAN! Elba running back Tim Caldwell (33) had his second big game in a row as he rushed for over 100 yards in the Tigers' 47-12 win over Charles Henderson. In the photo above, Caldwell dances away from a would be tackler.

The Elba offense showed some power of its own on its next series as the Tigers drove 59 yards in 7 plays to add to their lead. A 23 yard pass from Matthews and a 22 yard pass from Matthews to Greg Wright were big plays in the march, while the score came on a 2 yard run by Keith Henderson. The extra-point attempt failed, but with 3:12 still left in a wild first quarter the Tigers were in complete command with a 26-6 lead!

The Tigers got the ball back at the Elba 25-yardline late in the opening stanza and drove 75 yards in only 5 plays to continue the onslaught.

A 44 yard scamper by Reggie Horstead and an 18 yard run by Tim Caldwell were key plays in the scoring drive, which was climaxed when Anthony Brooks burst up the middle and rambled 13 yards for a touchdown. Wade Hart added the p.a. and with 11:44 left in the second quarter Elba's lead was up to 33-6.

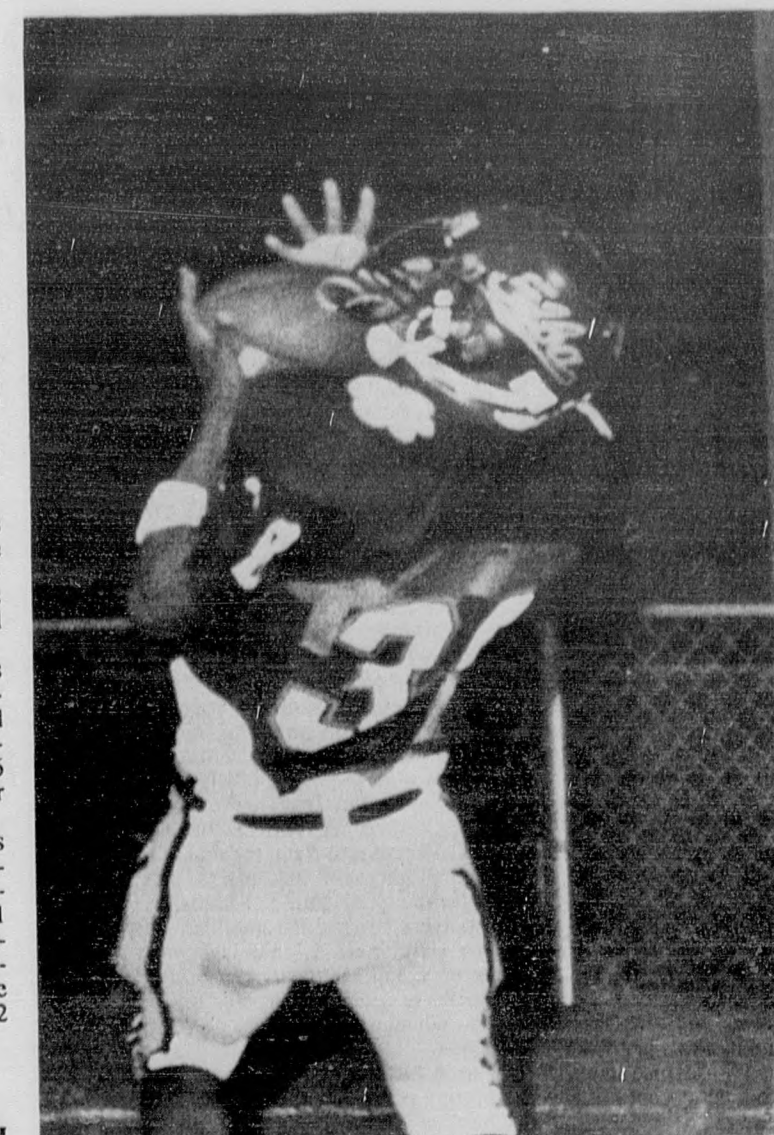

The Tigers saw two potential scoring drives stopped by interceptions on their next two series, and the second turnover sparked the Trojans to their second score of the half.

The score came with the aid of two 15 yard penalties against the Trojans and came when Mike Huner hooked up with Will Green on a 41 yard strike. The two-point try failed, but with 1:16 left in the first half the Trojans still held hopes as they had cut the Elba lead to 33-12.

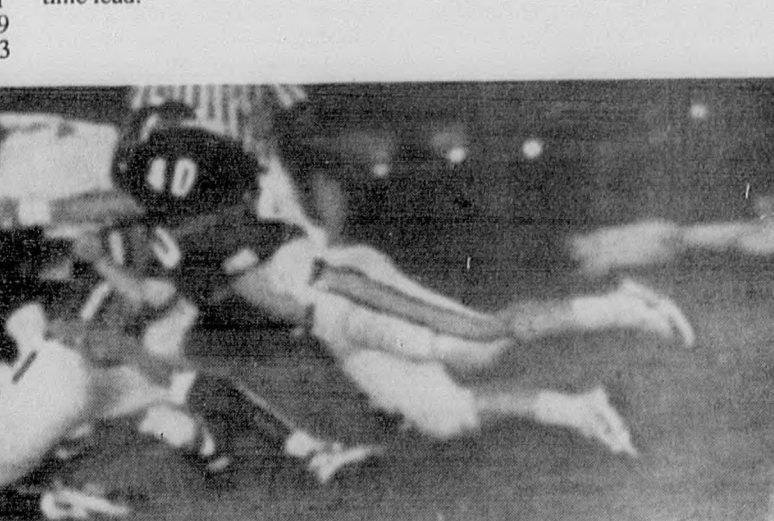

The Tigers seemed angered by the Trojan score and bounced back by driving 58 yards in only 3 plays to extend their lead.

An 8 yard pass from Kevin Matthews to Anthony Brooks got the drive off to a quick start, while a 24 yard pass from Matthews to Keith Henderson moved the ball into Trojan territory and on the third play of the drive Matthews tossed a 26 yard pass to Greg Wright, who pulled in the pass in the corner of the endzone for another Elba touchdown! Wade Hart again hit the p.a. and with 26 left in the half it was all over but the shouting as Elba's lead went to 40-12.

Elba was stopped at the Trojan 20-yardline on its first drive of the

TOUCHDOWN CATCH! Elba wide-receiver Greg Wright (38) pulls in a touchdown catch late in the first half in last week's big 47-12 win over Charles Henderson. Wright's catch helped the Tigers open up a 40-12 half-time lead.

QUARTERBACK SACK! Elba defensive end Jackie Stoudemire (89) and linebacker Shane Blanton (40) combine to sack Trojan quarterback Mike Huner (7) for a loss. The Tigers held the Trojans to minus yards rushing.

Elba Tigers to face stern test Friday night at Andalusia

The Elba Tigers will be hoping to continue their mastery over opponents from Alabama this Friday night when they journey to Andalusia to battle the highly-touted Andalusia Bulldogs.

The Tigers will carry a 7-1 record into the contest, with the only loss coming at the hands of Niceville, FL, while Andalusia will enter the game with a 5-2 slate, with the losses coming to Evergreen Hillcrest and Greenville.

"Andalusia is a big ole football team with good size and speed and we are in for another big test," said Elba's Coach Mack Wood when asked about Elba's upcoming game in Andalusia. "We have been tested three or four times this year and have passed the tests every time but one, so, this week we'll have to be ready for what should be a very, very tough test!"

"On offense Andalusia runs the wishbone and has a big line that goes over 210 pounds a man, two outstanding halfbacks and a quar-

terback that is a super athlete. They will have to be tough and play real physical up front.

"We've won two straight games without having to play real well and that concerns me going into a game against a team with the skill of Andalusia," added Wood. "This

week nothing will come easy and we will have to fight for our lives. This game will be a real test for our team and will show a lot about just how good a team we really are."

When asked about last week's 47-12 win over Charles Henderson, Coach Wood stated "I was proud of

like to run straight at you and we will have to be tough and play real physical up front.

Elba Junior Tigers rally to trip Troy 14-6

The Elba Junior High Tigers evened their record at 3-3 last Thursday night with an exciting 14-6 win over the Charles Henderson Junior High Trojans, from Troy.

Charles Henderson dominated play in the first half as the Trojans drove to the Elba 37, 15 and 12, only to be turned back on every occasion by the Tiger defense.

Elba took the ball to open the second half and showed its first

signs of life offensively as the Tigers drove 70 yards in 10 plays to break the scoreless battle!

Alex Magwood was the work-horse during the drive as he gained 37 yards on six carries, while it was James Jones who got the score when he circled right end and raced 20 yards for the touchdown. The two-point try failed, but with 3:42 left in the third quarter the Junior

Tigers were on the scoreboard with a 6-0 lead.

Charles Henderson's offense continued to move the football on its first possession of the half and this time made it into the endzone to pull even at 6-6, with the touchdown coming on a 37 yard scamper by Jiles with 4:46 left in the stanza.

Charles Henderson began another drive early in the final stanza;

however, Elba's Ron Bryan stepped in front of a Trojan pass at the Tigers' 38-yardline and raced 62 yards for a touchdown to put the Tigers back in front! James Jones ran in with the two-point conversion and with 6:26 left in the game the Tigers were in front 14-6.

The Elba defense held the Trojans without a first down on Charles Henderson's final two possessions and the Tigers held on for the big 14-6 win.

Alex Magwood gained 71 yards on 16 carries to pace the Elba offense, while James Jones added 37 yards on 6 carries and Jamie Brockton gained 21 yards on 7 tries. Jiles led the Trojans with 73 yards on 9 carries.

Perry Stinson made 5 tackles to lead the Elba defense, while Phillip Compton, Alex Magwood and James Jones all made 4 stops.

Area teams assured of playoff berths

While the beginning of the state football playoffs is still two weeks away, four local teams have already wrapped up berths in the playoff party!

The Elba Tigers have won the Class 3A, Area 3 championship and will host a first round contest, while New Brockton has clinched the Class 2A, Area 3 crown and will also be at home for the opening round of action.

Brantley wrapped up the Class 2A, Area 5 runner-up spot last week and will be on the road in opening round action and the Kinston Bulldogs have also wrapped up a playoff berth, although the Bulldogs opening game site has yet to be set. If Coffee Springs defeats Dozier, the Golden Bears will be Class 1A, Area 4 champs and Kinston will go to the playoffs as the runner-up, while a Dozier win over Coffee Springs will give the Area title to Kinston, along with a home opener in the first round.

while the defense was paced by Toby Bragg and Mark Wilson with 3 tackles apiece.

ELBA 28 STRAUGHTON 8

The Tigers closed out the regular season Monday night with an easy 28-9 win over Straughton. Ashley Samsy led the offense with a total of 248 yards and 2 touchdowns, while Troy Bryan added 32 yards. The defense was led by Toby Bragg with 5 tackles, while Daniel Pridgen and Derrick Daniels both made 4 stops.

Elba PeeWees rip Florala 26-0

The Elba PeeWee Tigers returned home Saturday night and enjoyed the home field as they clobbered Florala 26-0. Following are highlights of the game:

Rebels ambushed by Kinston 42-8

STATISTICS & PHOTOS BY
RONNY SHIVER

It was homecoming Friday night for the Zion Chapel Rebels and while the girls were pretty and the alumni happy to be back at school, there was little else to get excited about as the Kinston Bulldogs came to town and handed the Rebels a 42-8 whipping.

The loss dropped the Rebels' record to 1-7, while the Bulldogs evened their record at 4-4 with the win.

Kinston received the opening kick and wasted little time taking command as the Bulldogs marched 80 yards in 15 plays to score the first points of the night.

Chris Austin was the workhorse for the Bulldogs on the drive as he gained 49 yards on 6 carries and got the touchdown on a 10 yard scamper. Randy Moore added the extra-point and with 6:19 left in the first quarter Kinston was on its way with a 7-0 lead.

The Bulldogs' Scotty Edwards intercepted a Rebel pass on Zion Chapel's second play from scrimmage at the Rebel 26-yardline and it took Kinston only 3 plays to add to its lead!

A 21-yard pass from Joe Martin to Jud Spivey moved the ball close to the Rebel goal line and one play later Martin hit Chad Davis on a 1-yard scoring pass to make the scoreboard flicker again. Moore hit on the extra-point and with 4:33 still left in the opening stanza the Bulldogs' lead was up to 14-0.

Doug Faulk returned the ensuing kickoff 60 yards to put the Rebels in business at the Kinston 35-yardline, however, a penalty backed the Rebs up and on fourth down a pass fell incomplete as the scoring chance went by the board.

Kinston's offense was 55 yards from paydirt, but it made no difference, as the Bulldogs marched 55 yards in 7 plays to add to their lead.

Chris Austin gained 12 yards on 2 carries to aid the scoring march, while the touchdown came on a 41 yard pass from Joe Martin to Jud Spivey. The p.a.t. failed, but with 1:10 still left in the first quarter the Bulldogs' lead was up to 20-0 and it looked like a big night for the Dogs!

Kinston threatened to blow the game open on its next series as it marched 68 yards to the Rebel 3-yardline, only to see the Zion Chapel defense rise to the challenge.

Chris Austin was again the main weapon for the Bulldogs during the march as he gained 69 yards on 8 carries; however, the Bulldogs couldn't punch the ball over the goal line and had to settle for three-points as on fourth down Randy Moore booted a 21-yard field-goal to up the Kinston lead to 23-0 with

6:26 left in the half.

Zion Chapel gambled on a fourth down play near midfield late in the half, and while the gamble failed to pay off for the Rebels, it paid dividends for the Bulldogs as they drove 60 yards in 8 plays to score again!

Chris Austin ripped off runs of 16 and 29 yards to get the drive off to a quick start and it was Austin who got the touchdown on a 2 yard run. Moore added the p.a.t. and with :09 left in the half it was all over but the festivities as Kinston owned a lopsided 30-0 advantage.

Zion Chapel came out ready to fill the air with footballs in the third quarter and drove 65 yards in 8 plays to reach paydirt!

Jamie Duncan pulled in one pass for 11 yards during the march, while Chris Dewberry was the star of the drive as he grabbed 4 passes for 40 yards, including a touchdown pass of 25 yards. Jeremy Law passed to Jeffery Flowers for the two-point conversion and with 8:01 left in the third quarter Zion Chapel

was on the scoreboard, but trailing 30-8.

Zion Chapel's Chris Carnley recovered a Kinston fumble at mid-field midway through the stanza and the Rebs appeared ready to get back in the ballgame as they drove down to a first down at the Kinston 9-yardline behind the pass catching of Chris Dewberry and the running of Jeffery Flowers.

Close was close enough for the Rebels; however, as a quarterback sack moved the ball back to the 13 and three plays later the ball went back to the Bulldogs at their own 6-yardline.

The Rebels gambled on a fourth down and six play at the Zion Chapel 32-yardline on their next series and the Bulldogs again took advantage of the gamble to put points on the board, as on the first play from scrimmage Kinston's Joe Martin hooked up with Scotty Edwards on a 32 yard touchdown pass. The p.a.t. sailed wide, but with 6:01 left in the game the Bulldogs were in command with a 36-8 advantage.

Kinston's Joey Raybon intercepted a Rebel pass at the Zion Chapel 44-yardline late in the game and the Bulldogs covered the distance in six plays to score the final points of the night, with Marcus Cook getting the score on a 6 yard run with 1:39 left on the clock. The extra-point try failed, but it made no difference as Kinston had the win 42-8.

Chris Austin gained 259 yards on 30 carries to lead Kinston, while Marcus Cook added 52 yards on 9 carries. Chris Dewberry caught 8 passes for 67 yards to spark Zion Chapel.

Kinston Lady Bulldogs keep on winning

BY JACKIE KILCREASE

In past state tournaments the name "Kinston" has held one meaning - basketball!

Now, however, there is another sport and a different group of athletes which are recognized when the name "Kinston" is spoken.

In the past four years the Lady Bulldogs volleyball team has brought home three Class 1A state runner-up trophies and this year's team is hoping to begin a new tradition of bringing home the "Blue!"

Last Thursday night the Lady Dogs snatched a victory from the Samson Tigers with ease.

With a total of 18 good serves and 9 spikes in the first game, the Lady Bulldogs stole the show as Samson was unable to hang with the Dogs and Kinston emerged with a 15-6 win.

Reunion Run set for Troy Nov.4

Gamecocks claim Area 3 title with 39-6 rout of Samson Tigers

STORY & PHOTOS BY GREG
BRUNSON

The New Brockton Gamecocks claimed the Class 2A, Area 3 championship Friday night with a 39-6 routing of the Samson Tigers.

The Gamecocks scored touchdowns on all five of their first half possessions to build a commanding 33-0 halftime lead before sitting the starters down for the remainder of the contest.

The first points of the game came on New Brockton's third snap from scrimmage. Greg Sowell went in from 12 yards out to cap the 3 play, 65 yard drive. William Moguel kicked the extra-point to make the New Brockton lead 7-0 with 8:58 left in the first quarter.

A 36-yard pass completion from Matt Rodgers to Gerg Cole set up the next touchdown. Greg Sowell got his second touchdown on a one yard plunge with 3:57 left in the first quarter, while the p.a.t. failed, leaving the score New Brockton 13 Samson 0.

The Tigers moved to two first downs on their next possession, aided by a face-mask penalty and a roughing the kicker call. However, this drive was halted as Todd Boland recovered a Marcell Phillips fumble at the New Brockton 36-yardline.

The next drive was highlighted with two 18 yard rushes, one by Robert Kilow and the other by Greg Sowell. A big scramble on

third down by Matt Rodgers netted 14 yards and a first down at the six. Two plays later, Kilow cracked in from three yards out! A pass for two failed, leaving the score at 19-0 with 10:24 left to go in the second quarter.

The Gamecock defense set up good field position for the offense on their next possession as they held the Tigers down deep. A short punt gave New Brockton the ball at the Samson 33-yardline. A run by Robert Kilow got the ball deep into Tiger territory and on first down from the five Greg Sowell swept around right-end into the endzone. Moguel booted the extra-point to give New Brockton a 26-0 lead with 5:31 remaining in the half.

The final points of the half came as Robert Kilow capped an 8 play drive that covered 78 yards. The touchdown came on a five yard run as Kilow bulldozed over a tackler at the 2-yardline with only :08 left on the clock. Moguel's third extra-point made the halftime score 33-0.

New Brockton picked up in the second half where it had left off and with Rex Caldwell at quarterback, along with a new offensive line and a new set of backs, marched 77 yards in 13 plays. Adrian Cason got the touchdown as he dove in on a four yard run. The conversion failed to leave the score at 39-0 with 5:01 left in the third quarter.

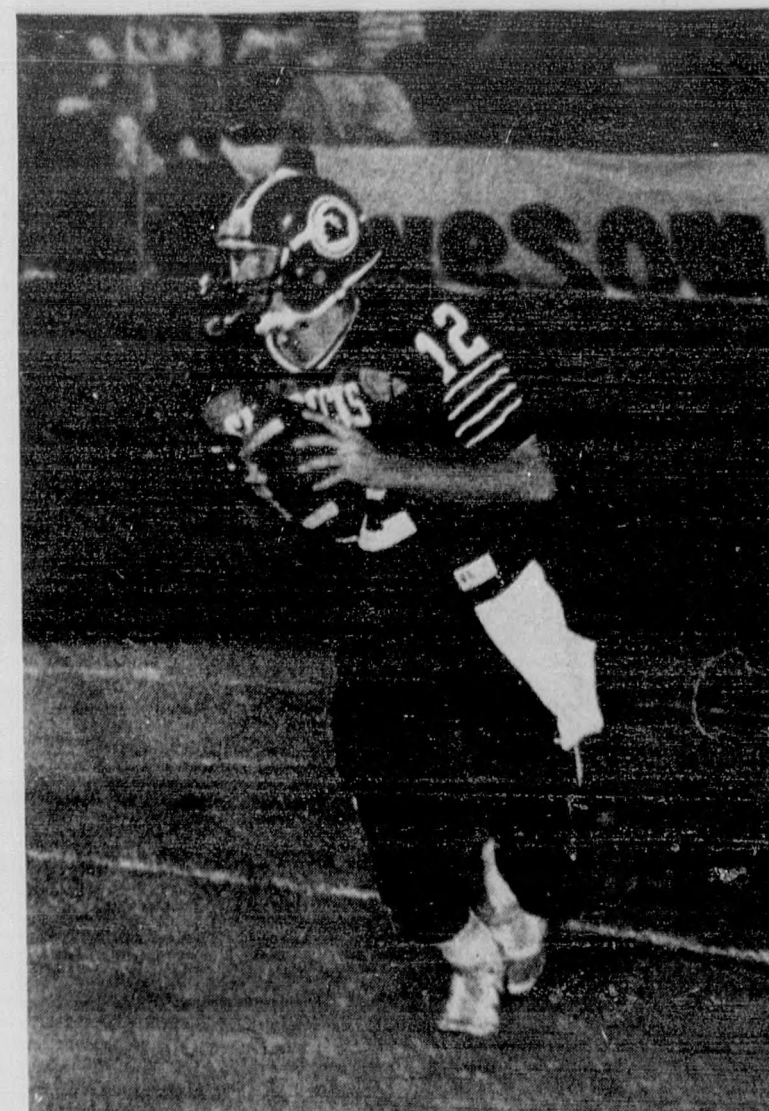

A snap over the head of the Gamecock punter set up the only Tiger score as Samson put the ball in play at the New Brockton 12-yardline. Darrin Morgan got the score on a 9 yard run around left end with 10:07 to go in the game and a run for two-points failed, making the final score 39-6.

Robert Kilow paced the Gamecocks' rushing attack with 165 yards on 17 carries, with 16 carries coming in the first half. Greg Sowell added 102 yards on 10 toes, with all rushes but one coming in the first half.

New Brockton is open this week as it prepares for the season finale against Zion Chapel on October 27.

The New Maximum Advantage™ CD

Gives you an advantage if rates go up.

And holds the line if rates go down.

With SouthTrust's new Maximum Advantage CD, you'll have an advantage no matter what happens to interest rates in the next year. You can draw the line with a competitive floor rate that won't go down during the 12-month term of your deposit.

Your rate may vary above the line, but it won't go lower. Rates are recalculated 4 times a year, indexed to the coupon equivalent of 13-week T-Bills as published in *The Wall Street Journal*. If our rate goes up, yours could too. If our rate goes down, you won't earn less than your floor rate. Guaranteed.

Add-on option. Your opening deposit can be as low as \$2,500. And you may make additional deposits of \$500 or more any time (up to a total of \$100,000 excluding interest), to really maximize your advantages.

Automatic renewal at maturity. At renewal you'll receive a new floor rate. But if your renewal is between recalculation dates, and if the most recently recalculated rate is higher, you'll earn the higher rate until the next recalculation date. Come in and let your SouthTrust Banker explain all the benefits of our new Maximum Advantage CD. (Ask about the IRA version, too.) The biggest disadvantage would be missing out on it.

Current Floor Rate: 7.25% Floor Rate with Silver Service Bonus 7.50%

These rates available only at SouthTrust Bank of Coffee County branches.

Substantial interest and/or tax penalty for early withdrawal. Silver Service bonus applies only to the guaranteed floor rate. Recalculations on first banking day of Nov. Feb. May & Aug.

Broyhill Newberry II

Table & 4 Chairs or China Cabinet

YOUR CHOICE

Classic 18th century styling gives this dining room collection the distinctive look of luxury. Made of maple solids and engraved wood products with rich, cherry engraved finish, the affordable Newberry II has all the special details so desirable in dining rooms today. Notice the broken pediment top, the crisp dentil moldings, the fluted pilasters and the attractive brass hardware found on the china. The pretty oval table with carefully turned legs, and the Queen Anne style chairs are the perfect decor for those who desire the pleasures of graceful, elegant dining.
